3.8 Pupils

Pupils are expected to:

- Attend school every day, on time

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent

- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- For pupils who are compulsory school age, whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 8.40am and ends at 3.10pm

Pupils must arrive in school between 8.30 - 8.39 am each school day.

The register for the first session will be taken at 8.40am and will be kept open until 8.45am. The register for the second session will be taken at 1pm and will be kept open until 1.05pm.

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 8.40am, or as soon as practically possible, by calling the school. Mrs. Robinson can be contacted via 01740644374 or enquiries@wolviston.org.uk

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is 5 days or more, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment.

However, we strongly encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary. Parent and Carers are to notify Mrs. Robinson if an appointment is unavoidable in school time.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code
- Parents/carers will be challenged as to why their child is late.
- Minutes lost to learning will be recorded and shared with parents, half termly.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may complete a home visit and or contact statutory services e.g. police, social care
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with: then a referral will be made to the local authority following attendance procedures which may result in a notice to improve being issues, penalty notice or other legal intervention under the act (see section 5.2 below)

4.6 Reporting to parents

We regularly inform parents (see definition of 'parent', as used in this policy, in section 3.7 above) about their child's attendance and absence levels. At the end of each term an attendance certificate is shared with parents and carers.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The Head Teacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The Head Teacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the Head Teacher's discretion, including the length of time the pupil is authorised to be absent for.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, considering the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least four school weeks before the absence, and in accordance with any leave of absence request form, accessible via the school office. The Head Teacher may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

Before the issuing of a penalty notice, the local authority will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day).

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

(Penalty notices are “not a Money-Making Scheme” The money does not go to schools. Local authorities can use revenues to administer the fines system, and any surplus on “attendance support”. Any remaining surplus at the end of the year must be paid to the secretary of state.)

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the local authority may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

6. Strategies for promoting attendance

We implement a robust attendance strategy to ensure children are in school maximising their learning opportunities. We utilize a multi-faceted approach that includes daily monitoring of attendance, proactive communication with parents and carers, and positively reinforce regular attendance. Each morning, teachers take registers, and any absences are immediately followed up with a call to parents/carers to verify the reason and offer support.

We also celebrate attendance, noting monthly attendance on newsletters to parents and carers, presenting certificates and through recognition. Additionally, we work closely with families to address any barriers to attendance, by providing resources such as flexible start time. Through these efforts, we strive to maintain high attendance rates and support the overall well-being and academic success of our pupils.

7. Supporting pupils who are absent or returning to school

7.1 Pupils absent due to complex barriers to attendance

Our approach to supporting pupils with complex barriers to attendance is comprehensive and collaborative, focusing on individualised solutions and family engagement. Where barriers are identified, we conduct thorough assessments to understand any underlying issues, which may include health problems, family

challenges, or socio-economic factors.

Working closely with families is paramount. We engage in regular, empathetic communication with parents and carers to build trust and gain insights into the child's specific needs. This might involve home visits, personalised meetings, and consistent follow-ups to ensure ongoing support and understanding.

Where necessary we may implement tailored interventions such as flexible timetable, providing access to well-being counselling, and create an Individualised Education Plans (IEPs) that address both academic and emotional needs. We may also offer in-school support, such as 1-1 tutoring, mentoring and access to a quiet space for pupils who might be overwhelmed by the traditional classroom environment.

We connect families with external partners, including healthcare services, social workers, and community organisations that can provide further assistance. By adopting a holistic approach and fostering a supportive school environment, we aim to eliminate barriers to attendance and help every pupil achieve their full potential.

7.2 Pupils absent due to mental or physical ill health or SEND

Our approach to supporting pupils absent from school due to mental or physical ill health or their Special Educational Needs and Disabilities (SEND) is compassionate, individualised, and inclusive. We recognise the importance of maintaining a strong connection with the child and their family while ensuring that educational journey continues despite health challenges.

We maintain open lines of communication with families through scheduled meetings, phone calls, and emails. This helps us stay informed about the child's health status and any evolving needs. We work collaboratively with parents, healthcare providers, and specialists to develop a comprehensive understanding of the child's condition and necessary accommodations. When appropriate, we may conduct home visits to better understand the home environment and to offer support directly to the family.

We provide flexible timetables to accommodate medical appointments and fluctuating energy levels. For pupils unable to attend school physically, we offer remote learning opportunities, including online classes, virtual tutoring, and access to digital resources. We adjust the curriculum to meet the pupil's current capabilities, ensuring they can progress at their own pace without unnecessary stress.

We create and regularly update PEPs that outline specific goals, accommodations, and support strategies tailored to the pupil's unique needs. We provide access to school counsellors, psychologists, and specialised support staff to address emotional and mental health needs. We facilitate peer support groups and mentoring programs to help pupils feel connected and supported by their classmates. We supply necessary resources such as assistive technology, adapted learning materials, and physical aids to support learning and participation. We implement wellness programs that include relaxation techniques, mindfulness activities, and stress management workshops.

Through these tailored strategies, our goal is to create a supportive, flexible, and inclusive learning environment that respects each pupil's unique challenges and empowers them to succeed academically and personally.

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

7.3 Pupils returning to school after a lengthy or unavoidable period of absence

When pupils return to school after a lengthy or unavoidable period of absence, it is crucial we support their reintegration with a structured and compassionate approach. Our strategies are designed to ensure a smooth transition, address academic and emotional needs, and re-establish a connection with the school community.

Before the pupil returns, we arrange meetings with the child, their family, teachers, and support staff to discuss their needs, concerns, and any necessary arrangements. We develop a tailored reintegration plan that outlines a gradual return schedule, identifies key support personnel, and sets realistic goals for the pupil's academic and social readjustment. We provide a catch-up curriculum to help the child gradually reacquire missed knowledge and skills.

We ensure the pupil has access to school counsellors to discuss any anxieties or emotional challenges related to their absence and return. We assign a peer buddy or mentor to help the child reintegrate socially, providing companionship and guidance during their return period.

We schedule regular check-ins with the child, parents, and teachers to monitor progress, address any emerging issues, and adjust the reintegration plan as needed. A feedback loop encourages the child and their family to share ongoing concerns and successes, ensuring continuous support and adjustment of strategies.

By implementing these strategies, we aim to support pupils in overcoming the challenges associated with a lengthy absence and ensure they feel welcomed, supported, and ready to succeed academically and socially.

8. Attendance monitoring

Our school runs a comprehensive system (ScholarPack) to monitor, record, and analyse attendance and absence data, including punctuality. This systematic approach ensures we can identify patterns, address issues promptly, and support pupils effectively.

Teachers take attendance at the start of each half school day. This data is entered into our centralised digital attendance system in real time. We record the arrival time of each pupil to monitor punctuality. Late arrivals are logged with specific times and reasons for lateness provided. For unreported absences, our administrator contacts parents or carers on the same day to verify reasons and ensure the child's safety.

8.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

8.2 Analysing attendance

The school / education welfare officer will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.3 Using data to improve attendance

The school/education welfare officer will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severed absence, and their families (see section 8.4 below)

- Provide regular attendance reports to class teachers, to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs co-ordinators, designated safeguarding leads and pupil premium lead)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school/education welfare officer will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above)

9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and annually by the Head Teacher, Mrs S. Hawes. At every review, the policy will be approved by the full governing board.

10. Links with other policies

This policy links to the following policies:
